# Welcome!

Welcome to this study on the Book of Hebrews. This study is part of an ongoing series of Bible Studies offered by Seeking the Kingdom Ministries. The foundational study to this series is entitled UNDERSTANDING THE BIBLE — BIBLICAL SURVEY. It is preferable that you take this foundational study prior to taking any of the others in this series (including this study on Hebrews), as it lays the foundation of the big picture of Scripture. The survey study allows one to better handle the larger picture of Scripture, which then allows that individual to better handle the smaller portions of Scripture.

Over the past three years, I have grown to love the Book of Hebrews. This epistle puts in capsule-form, the entire Bible. If you want a brief format of the big picture of the whole of Scripture — study the Book of Hebrews! Beginning with the foundation laid down in Hebrews chapter one, the author of the epistle lays out a string of related warnings to believers — warnings which must be heeded if we are to finish our race well.

As I write these studies, I am well aware of the tremendous responsibility I have to present God's Word in truth. It is my earnest desire to do so. God's Word is awesome, and holy, and beyond description. It is ALIVE! It is our very life! Our very breath! Without it, what would we do? God says that He will uphold His Word, even above His Name (Ps. 138:2)! What would change in our lives,

if we would esteem God's Word above our own name! Oh Lord! May we learn to do so!

It is my prayer, as I offer this sixteen-week course to you, that you, yourself, would study diligently to show yourself approved, a workman who rightly divides God's Word, so that you will not be ashamed, rather an approved workman, when you stand before Him at the Judgment Seat of Christ.

Study well!

Cindy
